**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. The current system allows me to have reasonable access at affordable pricing . Changing that would impact my ability to continue having internet and phone access. Your support and attention to this matter is critical. Please do not let the consumers be priced out of acces to these critical services.

Thank you

David Burkhalter
